Local Church Budget

“Ding!” My phone went off again in my pocket. It was just one of those busy days I was having as a college professor, but with deadlines looming, and students waiting to be taught, I did not really want to deal with my phone notifications at the moment. Can you relate to that feeling? I have found that technology can often be a wonderful blessing, as it allows me to connect meaningfully with my family members who live all over the world. At the same time, it can sometimes disconnect me from the life that is happening right before my eyes.

One thing I decided to do years ago was to take a weekly Sabbath, on the Sabbath, from my devices, as often as I can. That way, when I gather in worship with my family, my fellow believers, and my students, I can be fully in tune with what is going on.

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching” (Hebrews 10:24-25, NIV). Today’s offering is for the local church budget. This will help provide the resources necessary to allow us to continue to meet together and worship as one!
